

Dear SUN 'n FUN Exhibitors,

SUN 'n FUN and the Aerospace Center for Excellence are deeply concerned about the developing crisis with COVID-19 and understand our responsibility to help in the fight against the spread of the disease. Our first priority is always the health, safety, and well-being of our patrons, partners, staff and volunteers. With the full support of Polk County, the City of Lakeland, Lakeland Linder International Airport, and the FAA, at this time we are tentatively planning to postpone the 2020 SUN 'n FUN Aerospace Expo until May 5-10.

For now, we are seeking your input on who and how many will be able to attend and exhibit in May. Please respond to Bonnie Perkins at BPerkins@flysnf.org with your input on whether or not you can be here. Please be patient as we work through this process. Rest assured that we will make every effort to honor all agreements and do the right thing with regard to your investment in SUN 'n FUN. Once we have an assessment of the participation, we can begin the process of applying exhibit fees to the new date, next year, or processing refunds. We appreciate the unwavering support of you, our exhibitors, our airport, our community and our airshow family, and we hope everyone will make plans to join us here this May. Please visit www.flysnf.org for updated information as it becomes available and follow us on social media. Thank you for bearing with us as we all navigate these unprecedented times.

Greg Gibson

Chief Marketing Officer / Airshow Director
